Because connections matter.

Fast and Efficient Mail Processing

Dynamic business environments count on powerful tools which can get the job done with accuracy and speed.

Quadient's IS-420 delivers fast and efficient mail processing with easy-to-use and reliable operations. With state-of-the-art technology and online services under your control, you'll be sure to have the best solution to meet your requirements. Easy-to-use, the highly capable IS-420 with whisper-quiet operation is fast and efficient. You'll appreciate the sleek ergonomic design that saves you space and easily integrates into your business environment.

Because sustainability matters...

Eco-friendly, the upgraded Quadient IS range is designed to reduce your environmental footprint. Being ISO 14001 (environmental) certified, Quadient will serve you according to the highest process, quality and environmental standards.

Online Management: Monitor, Track and Control

Online services give you greater control over your mailing system and postal expenditures. The IS-420 is connected to help you manage your operations more efficiently.

- If you have to account for your mail, you can even monitor postage activity, mail class, and department usage.

- Get added support with remote diagnostics.
- Never run out of ink with Low Ink E-mail Alerts.
- Enjoy the hassle-free automatic postal rate change downloads that ensure you're compliant with the latest postal rates.

Mail Accounting Solutions That Keep You In Control

Optimizing budgets and effective cost control are expected in today's business environment. **Quadient MAS** delivers the detailed reports you need to track, analyze, allocate, forecast, and consolidate your mail processing activity by mail class, department, time-period and more, even from a distance.

You can establish budget by department and then monitor costs with automatic alerts or limits, controlling overspending. Connect to a PC with **Quadient MAS** installed and you're never out of control.

Give the Right Impression

Promote customer relations with printed slogans that enhance the professional look of your organization.

Select advertising slogans to reinforce communication with your customers.

Mix It Up - IS-420 Will Sort It Out

Fast, accurate weighing and franking. Using **Differential Weighing**, simply place all your mixed-weight mail on the weighing platform, remove an envelope and the correct rate is calculated.

With **Smart Start technology**, each time an envelope is removed from the weighing platform, the powerfeeder starts and is ready to process mail or automatically dispense a postage label.

Optimise Efficiency. Ensure Quality.

2. Integrated automatic label dispenser

3. Shortcut keys ensure maximum efficiency

4. Smooth, powerfeed provides fast batch processing of envelopes. Extra power when you need it!

1. Space saving integrated 3kg weighing platform with Smart Start technology. External platforms are available with up to 35kg capacity.

6. Dashboard display provides operation overview and user-friendly prompts and menus

5. Compact, extendable catch tray accommodates DL to C4 envelopes

Easy-to-Use Operational Control

An intelligent operating panel puts even the occasional user in control with a simple-to-use navigation menu.

Eliminate errors and improve productivity with a host of smart functions and effortless menu

prompts that deliver the extensive features of the IS-420. Benefit by using the fail-safe Rate Wizard - just like redialing a number on your mobile phone, and easy-to-use shortcut keys that save you time.

Never out of ink

Managing ink couldn't be easier. The IS-420 uses a long-life cartridge optimizing yield and minimizing replenishment.

Plus, the IS-420 will send you a Low-Ink E-Mail Alert so you can be sure your mail keeps moving. Thanks to the Click n' Snap design, changing ink cartridges has never been easier.

Pricing Your Mail Has Never Been Easier

Don't be confused by postal rates. Let the IS-

420's **Rate Wizard** give you a hand so you won't have to be a postal expert.

Whatever rate you need is in the IS-420. Save even more time by eliminating keystrokes when you select the mail class you need from the rate shortcuts menu.

From single envelopes to larger packages, you'll have the flexibility you need to weigh and manage your mail with ease.
